COMMANDER'S REPORT

Cdr. Jack Stange, AP

Hello everyone!

Before I get into March events, as Commander of Captree, I express our sincere condolences to the families of Len Schiede and John Dwyer, both long-time members of Captree, who passed away in February. Len and John will certainly be missed here at Captree.

March is a busy month for Captree. We start the month with an Executive Committee meeting at the Moose Lodge on the 1st followed by a District Council meeting on the 3rd at the Melville Marriott. I will report back on any significant items/news from the Council meeting. Next up is Captree's General Membership meeting on March 15th at the Moose Lodge when we will conduct our annual elections. Elections for new Bridge Officers and other elected positions for the May 2023 to April 2024 fiscal year are very important. I trust that you will mark this important meeting on your calendars, so you don't miss it. As an FYI, we will be serving pizza at 7:30 at no charge. Be sure to respond to our secretary when the meeting notice comes out if you plan to join us for pizza.

On March 17 & 18, District will be holding its annual Spring Conference and Change-of-Watch dinner dance at the Melville Marriott. Flyers for this event are included in this **LOG**, and as with the Council meeting, I will report back on any significant items/news after the meeting.

Lastly, on March 18th, Captree celebrates its 72nd Anniversary, having been chartered in 1951. Seventy-two years is a long time and only through member involvement could we have achieved this milestone. So again, I urge you to attend our annual elections' meeting on the 15th, and as many Captree events and monthly membership meetings you can. Without your involvement, future anniversaries could be at risk.

In closing, I hope to see everyone at our March 15th Elections' meeting at the Moose Lodge.

Jack

AMERICA'S GREAT LOOP

The most epic nautical journey you've never heard of

America's Great Loop is a unique and exciting boating journey that encompasses the entire eastern United States. It is a circular route that starts in the northeastern part of the country, follows the coast down to Florida, then cuts across the Gulf of Mexico, up the Mississippi River, and finally back up the East Coast to the starting point. It is often navigated counterclockwise but can be traveled in either direction. This journey takes boaters through a wide variety of waterways, from the Atlantic Ocean to the Intracoastal Waterway, to the Great Lakes, and the inland rivers. Depending on the routes taken, it's approximately 6,000 miles. Completing the journey is known as "Crossing your wake" and is quite an educational experience.

America's Great Loop is a popular trip among boaters and travelers alike, as it offers a once-in-a-lifetime experience to explore the diverse and beautiful waterways of the United States. The loop takes around one year to complete, although many boaters choose to take shorter trips and complete the journey over several years.

One of the best things about the Great Loop is the opportunity to explore the diverse regions and cultures of the eastern United States. The trip takes boaters through bustling cities like New York, Miami, and New Orleans, as well as charming small towns and quaint fishing villages. Along the way, boaters can experience the unique cultures and cuisines of each region, from the fresh seafood of the Gulf Coast to the hearty comfort foods of the Midwest.

Another highlight of America's Great Loop is the natural beauty of the waterways themselves. The trip takes boaters through a range of stunning landscapes, from the rugged coastline of New York to the lush greenery of the Florida Everglades. Along the way, boaters can spot an incredible variety of wildlife, including dolphins, manatees, and even alligators.

America's Great Loop is also a great way to meet fellow boaters and travelers. Many boaters who embark on the journey join boating clubs and forums to connect with other travelers and share tips and advice. The loop is a great opportunity to build lifelong friendships and create unforgettable memories.

Of course, completing America's Great Loop is not without its challenges. Boaters must carefully plan their routes and take into account weather patterns and water conditions. Navigation can be tricky in some areas, and boaters must be prepared to handle unexpected challenges, such as engine failure or rough seas. However, with careful planning and preparation, boaters can safely complete the journey and have an unforgettable adventure.

In conclusion, America's Great Loop is a unique and exciting journey that takes boaters through some of the most beautiful and diverse waterways in the United States. It offers the opportunity to explore different regions and cultures, experience the natural beauty of the waterways, and make lifelong friendships along the way. While completing the loop requires careful planning and preparation, the rewards are well worth the effort.

Good and Welfare

Our sincere sympathy to:

P/Lt/C Eileen Dwyer, AP, on the passing of her husband and Life Member, John J. Dwyer, AP. John was a member of Captree for 42 years, who regularly participated and assisted in numerous programs and events during that time, earning 33 Merit Marks. He will be missed.

The family of P/C Leonard W. Schiede, JN, on his recent passing. Len was a Member Emeritus having earned 50 Merit Marks over his 53 years of membership. During his years of active membership he held many, many positions at Captree and served as Commander from 1986-1987. We are all saddened by this loss.

Happy St. Patrick's Day!

Welcome Spring!

Our thoughts and prayers are with you all. Please help keep us informed of any illnesses, deaths or happy moments of our members and their family.

MEMBER INVOLVEMENT

March brings us the start of Daylight-Saving Time (DST), so remember to set your clocks ahead before bedtime on Saturday, March 11th and get an extra hour of daylight before sunset on starting Sunday, March 12th. I am sure this makes those with boats thinking about putting them into the water. To be safe, I recommend you wait at least another month when the weather gets better, and Spring arrives on March 20th. Let's also wait to see how true is the old saying "If March comes in like a Lion, it goes out like a Lamb". March also brings us St. Patrick's Day on Friday the 17th. For all members who are not Irish, this is a great day to join the Irish and enjoy yourselves by toasting the day.

Last month we held our first General Membership meeting since our "Just Desserts" meeting in November. I understand we had good attendance. I am sure the fried chicken from Popeye's helped a bit. I also learned that Mike Richter showed a short clip from one of our old "Captree Capers" featuring Bill Dumper as a lost traveler and Linda Schiede as one of the tap dancers.

I am sure most of our current members have no idea what a "Captree Capers" show was. The "Capers" were annual fun packed shows put on by the members to honor/roast the outgoing Commander. Each show lasted about 45 minutes and was part of our Change-of-Watch dinner dance which was attended by nearly 150 Captree members and guests and many from other squadrons. You may wonder how a show of members could last that long and why attendance was so high. I am dating back to the years when we had over two hundred members. Each show required support from approximately sixty-five members & spouses to perform, make costumes, and make scenery. It was truly an "Amateur hour"! We had dancing acts, singing acts, and comical acts. All the costumes and scenery were made and painted by our members.

To put on a show of that size required time to get it all together. We started right after the holidays getting members and spouses to sign up to perform. We had someone with dancing ability teaching others to dance. Others guided us in our presentations. The individual acts would meet with their advisers one night each week to work out the details. When it got close to show time, we all got together on a Sunday afternoon at the location we rented for our meetings to put it all together. While each act worked out their details on a make-believe stage, the others had snacks, drinks and partied while watching. Rehearsals were both interesting and funny as men & women dancers were banging into each other while the men were trying to keep their tutus from falling down.

Most times the rehearsals were funnier than the final shows and after a few drinks they were even better.

Then finally "Showtime" at the COW dinner dance. I remember one year our director being concerned about our drinking too much before the show. She stopped at each table during dinner to say hello, wish us luck, and see what condition we were in to perform. Heck, we drank all we could because we needed it to give us enough courage to go out there and make fools of ourselves. I enjoyed all the shows and, as the outgoing Commander, especially enjoyed my "Roasting". The theme for that show was "Family Gathering", which is a story for another time.

As for the show itself, it provided a great way to get older and newer members working together as a team. It really united Captree and helped get members involved in all squadron activities

Now, let's get back to March. At our March General Membership meeting, we will hold elections for the incoming Bridge Officers, their Assistants, and elected committee members including the Executive Committee. The meeting will be held on Wednesday, March 15th at the Moose Lodge in Lindenhurst starting at 8:00 PM. For those joining us for pizza, please be there at 7:30. There is no charge for the pizza. The Slate indicating those nominated for positions to be elected is in this **LOG**. As Chairperson of the Nominating Committee, I would like to thank all the members who accepted nominations to fill positions for the upcoming fiscal year (May 1st, 2023 to April 30th, 2024). Besides these elected positions, there are many appointed Committee positions that report to the individual Bridge Officers that must be filled. If a certain position is not filled, then the Bridge Officer responsible for that position must do that job plus their own job. Under these circumstances, it reduces Captree's ability to provide you with all the activities planned for this coming year. If called to take a committee position, please volunteer. Others are there to help if necessary.

This month is Captree's 72nd Anniversary in the United States Power Squadron as Captree received its Charter on March 19th, 1951. Suggest you raise a glass and toast Captree that day. 72 years is a long time. Without member involvement, we may not exist today.

Please be safe and stay healthy!

Charlie Virga
